Quick Quotes

Q. All right, here with Patty T after the second round being done at the Evian Championship. I know two days in between. Talk about the kind of second round in general.

PATTY TAVATANAKIT: I started off really slow. Feel like I just kept telling myself to stay patient and hung in there which I did.

And ended up like I hit it -- I hit my irons good all day, I meant all round, ever since like the front nine. Just putts were lipping out. I think I had five, six lip-outs this round, which is -- it's a good sign. I take that into positive.

Always so grateful for those opportunities to look forward to the next shot and keep executing, and hopefully putts will go in and they did on the back nine.

Q. And talk about maybe some of the disadvantages but also advantages of rain delays and how you can reset for the next round.

PATTY TAVATANAKIT: Yeah, I feel like that was -- I mean, I can't control what the weather is going to do. I can't control how long the delay is gonna be. All I can do is process how I'm thinking and feeling within myself.

So I did that really good the past two days. And whatever is thrown at you got to be ready because not everything is going to go your way.

Q. How are you looking to reset?

PATTY TAVATANAKIT: Probably going to take a nap, and maybe if I can't nap I'll probably read a little bit and probably chill and not think about it too much.
