Quick Quotes

Q. Steph, 12 hours later, finally finished round two here. Hot start yesterday. Overall, what were some of the differences between going into today's round -- today's two holes -- as compared to yesterday?

STEPHANIE KYRIACOU: It was definitely a little bit colder that morning after all the storms, but I mean, same mindset being game plan. Nothing really changed in that aspect.

Only had a hole and a half to play so excited for a nap now.

Q. Take me through the first nine holes that you had yesterday. You were really on fire from the jump. What was working so well?

STEPHANIE KYRIACOU: I was kind of -- well, I was pretty nervous on the first hole and I think that kind of got the better of me. Then my caddie just kind of reassured me that like everything is going to be fine. It's only day two. You're not going to win. Not going to win today either.

So just stay patient and then everything kind of flowed. Good shots, hit good putts, and made a good score.

Q. Nerves, why nerves?

STEPHANIE KYRIACOU: Just have some stuff I'm going through and sometimes, you know, just gets the better.

Q. Especially at major championship, to find yourself where you are right now, how you feeling after being able to close out with a nice little birdie there?

STEPHANIE KYRIACOU: Yeah, feel good. I'm playing good. Yeah, like I said, stuff I'm working through, so I've been in this position before so I think I've learnt from that. Yeah, see what the weekend brings. I'm excited.
