Quick Quotes

Q. Here with Ayaka after her third round. Just talk a little bit about how you felt like you played here in this third round. Still at the top of the leaderboard. How it felt like it went out there.

AYAKA FURUE: Shots were not that good today, but I had huge par saves today so that was kind of good for me.

Q. What was it kind of like as well to play with somebody like Steph, that you kind of were going back and forth with it seems like a little bit today?

AYAKA FURUE: Steph made a lot of birdies today, and otherwise I couldn't get any like birdie chances today. So that was a little bit frustrating.

But I just made kind of like long par putt, so that was really good for me.

Q. They were just asking Steph a little bit what it felt like to be in a final group heading into Sunday at a major championship. What was the last time you felt like you might have felt pressure like that?

AYAKA FURUE: Actually I've been in contention this year, so I hope I'll get the title tomorrow and I don't get any pressure for that.

Q. What do you do tonight? Anything you go eat in particular or do before tomorrow?

AYAKA FURUE: Just go out for dinner and resting, because today was really long day for me. So just chilling out here in Evian.
