### Quick Quotes

**Q. All right, here with Haeran after her final round at the Evian Championship. Nice few holes coming in. Talk about those last few holes.**

HAERAN RYU: I don't know. (Laughter.) Because I mean, I just want to make some birdie at the last couple holes, but every hole I making -- I can make some chance but I'm so amazing at hole 17. That pin position is really tough up there.

But my caddie said, behind the pin is pretty good and have many (indiscernible) behind there. Should be fine. 0and I trust it. But I make some -- I think I make some lot of good shots up there and I get some birdie up there, and so happy.

And the last hole I'm finished eagle and I think that's amazing.

**Q. That's awesome.**

HAERAN RYU: Yeah. That's it. I just not think about it. Just play and then I make strong finish.

**Q. Were you really trying to push on the last few holes to move up the leaderboard?**

HAERAN RYU: Yeah, and I just look around the leaderboard and just 10-under par is maximum in the top 10. So one more, one more, and push myself, and I make a lot of birdies and eagles.

**Q. You must be proud of yourself.**

HAERAN RYU: Yeah.

**Q. What kind of momentum or confidence is this going to give you moving forward?**

HAERAN RYU: Because usually my major score tournament is really good than last year and I just preparing for my shots, because every major hole is so stressful for the whole setting and the green is so tough and rough is so long.

Always I want to try to more accurate shot. This week my coach is coming here and I'm practice a lot of shots and I can make some a lot of birdies.

**Q. And anything that you enjoyed in France the most?**

HAERAN RYU: Yeah. Today many caddies and players recommend for one pizza spot in the city center, and I want to go there. After that I want to get some gelato.
