### Quick Quotes

**Q. Natasha, major debut here at the Amundi Evian Championship. You're playing like you've done it ten times before. 4-under par today. Talk about the last two days.**

NASTASIA NADAUD: Yeah, it was really great. I had really great playing overall these past two rounds. Been hitting the ball quite the same today and yesterday. Just yesterday I like missed some greens on par-3s, kind of short-sided. So when you miss short-sided at Evian you're basically dead, so yeah, that happens. So sank couple putts that were quite clutch.

**Q. Look very cool out there, very calm. How have the nerves been?**

NASTASIA NADAUD: Yeah, to be honest yesterday I was quite nervous. I was a bit more kind of not used to it, but a bit more chill today. Yeah, I'm a bit sick so I think that helps for like staying detached from everything that happens.

**Q. You come in here as an invite. We know you're born not too far from Evian. You have quite a crowd. There has been cheers. How nice that?**

NASTASIA NADAUD: Yeah, it was really cool. I had a lot of like friends and family and people from my club coming to cheer on me. It was very cool to feel their energy. Yeah, they were cheering on me, so it was really cool.

**Q. We had Aditi in here yesterday and she was speaking about her experience at the Evian Juniors when she played. I know you played in that tournament.**

NASTASIA NADAUD: Yeah.

**Q. What memories do you have from that and how has that helped you this week?**

NASTASIA NADAUD: Yeah, I don't think it really helped because I remember I played really bad. We play just after the Evian Championship at that time, so the course

was really well-prepared and at the time I wasn't playing well good, to be honest.

But, yeah, I think practicing here quite a lot from during my off time helps because I know where to go, where not to go. So yeah, I think this helps.

**Q. Generally your form, had your best-ever result a month ago and really been trending in the right direction. Can you put your finger on the biggest factor in this form?**

NASTASIA NADAUD: To be honest I just think it's sticking to my process and like what needs to be done instead of like focusing on the result or ranking or anything.

Just play the golf I practiced for.

**Q. You got weekend major golf coming up. You're in a fantastic position. Going to have quite the grouping as well. How excited are you?**

NASTASIA NADAUD: Yeah, I'm so excited about that. Yeah, seeing all these big names on top of the leaderboard and having me close to this is a well cool experience. Really looking forward to the weekend.
