Quick Quotes

Q. Here with Hye-Jin Choi after her second round at the Amundi Evian Championship. Kind of near the top now after today's round. Can you just talk about how today went for you?

HYE-JIN CHOI: (Through translation.) It was really quick. Actually overall today my shot was really good and I had lots of birdie chances. I finished well, but there was some, how to say, like some putts which were missed and I also made some good putts.

So I'm just looking forward for the weekend.

Q. How would you compare today to yesterday's round?

HYE-JIN CHOI: (Through translation.) Actually, I'm not feeling really well from yesterday. I'm not really good. But actually during my playing I'm not sure how I'm playing, yeah.

But my shot and putting was not bad so I'm just looking forward for it, yeah.

Q. What do you enjoy most about being back here in Evian and France?

HYE-JIN CHOI: (Through translation.) The one thing I like about Evian is that the course is really beautiful and actually I had a sponsor tournament before Evian, so I had a jet lag, but I still have lots of time today so I'm just going to enjoy it.

Q. Is there any food you like to eat when you're here?

HYE-JIN CHOI: (Through translation.) Oh, yeah. My favorite food to eat in Evian is pizza, so I had pizza on Monday. Actually I'm just cooking and eating and it's my manager's birthday so I cooked her some dinner.
