## Andrea Lee

### Quick Quotes

**Q. Okay, here with Andrea Lee after her second round at the Amundi Evian Championship. Just talk us through a little bit of the course conditions that you saw compared to yesterday.**

ANDREA LEE: I think the pins were a little more difficult today. They were in tucked positions. Scores were definitely higher overall. It wasn't really that windy, but I think the greens were just a little tricky today.

I mean, it was still pretty scorable in my opinion. Just with the weather conditions felt like I had to take advantage of it a little more than I did today.

Yeah, it was a little up and down out there.

**Q. Just heading into the weekend, still couple shots out of the lead, what are you going to work on and what will be your focus?**

ANDREA LEE: Honestly my game overall feels solid right now. Was kind of put on a constraint the last six holes; we were put on the clock the whole time. I felt a little bit rushed, but it's just things that you always have to stay patient.

It is a major at the end of the day and things are going to happen, things are going to frustrate you. I'm just going to try to stay level headed because everything about my game feels really solid. From tee to green just feel like I'm playing good golf right now, and hopefully I can keep it up on the weekend.
