Quick Quotes

Q. Okay, here with Jeeno Thitikul after her third round at the Amundi Evian Championship. Could you just talk about today's round a little bit?

JEENO THITIKUL: Yeah, didn't open with a good opening first hole. Three putts on it.

But ending up with 18 with a birdie and then with 4-under par, I really happy about that.

As I said, if I can keep the ball in play, that's might have a chance.

Q. I think this is the first time talking to you this week so far. What have you enjoyed about the golf out here so far this week?

JEENO THITIKUL: I think the views. You know, like the Lake Geneva views. It's just once in a year that we had a really great view like this.

And then also the golf course as well. The challenging of it, the slopey of it, yeah.

Q. I've seen you to go to some fun food spots this week. Where have you been so far and what have you liked?

JEENO THITIKUL: I went to Thai food yesterday, like really like general if I am be here, because that's the one that I will want.

And then the fun part is I went to Lausanne. Lausanne, had some crepe. Not a dessert crepe. Like with eggs, with (indiscernible), which is like kind of really open my experience.

Q. You played well here in the past. What have you learned about tackling this golf course and the challenge of this golf course?

JEENO THITIKUL: I think this golf course, as I said, so hilly, it's so slopey, if you can, you know, be around the pin, like the same slope as the pin are, that's really good chance to make the birdies.

But also if you're like really far away from the slope it's might be have to get up and down or like two putts from it.

So I think as I say, also the fairway pretty narrow as well.

Q. What have you learned from your final rounds in contention this year, because there has been a lot of them, that you will apply tomorrow and hope to capitalize?

JEENO THITIKUL: I think all my experience been helping me so much. Also like I can see in these two hole why I had the lead, and also so (indiscernible) to get the win done.

If I was four five years ago, wasn't do it like that for sure. So I think hopefully tomorrow is going to be a calm day where I can stay in my own games and in my own mindset.

I don't think it's just like for the -- you know, it's just be a lot better out there for sure. Not just keep in contention, but like you need to make birdies.
