LOTTIE WOAD: It's probably going to be pretty similar coming into this. Trying to be in contention and just going to try and do the same for those.

**Q. Here with Lottie Woad who made her way back to the range on the side of the 18th. Congratulations on an amazing couple of weeks. That win last week in Ireland and now in contention at a major championship. How exciting was today for you?**

LOTTIE WOAD: Yeah, it was really fun. I knew starting the day I was only like five off, so I needed to have a quick start and I did.

Then it was really just really fun after that.

**Q. At what time did you start to think, I have a chance of winning this?**

LOTTIE WOAD: Probably after the first four holes where I went out in 3-under. Probably after that.

**Q. Obviously a bit of a question looming of whether you're going to take up the LPGA membership. Achieved 20 points in the LEAP program, which gives you the option of membership. You can take it immediately or defer it until the beginning of next year. You have said coming into the week you're not decided. What would hold you back?**

LOTTIE WOAD: Not sure about that. I'm just going to take the next week and discuss with my family and coaches and then I'll make a decision after that.

**Q. How excited are you for the LPGA Tour potentially the notion couple weeks? We'll find out.**

LOTTIE WOAD: Yeah, very excited. Always been my dream to play on the LPGA, so yeah, really looking forward to it and grateful for the opportunity of this program.

**Q. What are your sights when you look at the Scottish and AIG Women's Open. How do the last couple weeks change? You're in the field regardless of whether you're an amateur or pro. How does your mindset and attitude change with the way you played?**
