Q. What an amazing finish that was. Grace, we need to get your hands on this famous trophy. Where do we start with those three big shots at the end. Maybe let's start in regulation with that second to 18, and then the chip-in and then eagle putt in the playoff.

GRACE KIM: Yeah, the three holes I hit the same club, the 4-hybrid, so I guess that's staying around for a while.

Yeah, just I knew obviously I would never have a flat lie out here, so I managed to work around this course as well, which made me feel comfortable.

Yeah, just kind of felt good. Had a good number as well. I don't actually remember, but, I mean, my caddie probably made a very inappropriate comment about it. Yeah, just worked out great.

I doubles 12 and I thought I was out of it. I said to myself and to my caddie, I've got nothing else to lose. Yeah, that chip-in, yeah, don't know. That just happened.

Q. Of course keeping your composure to make the eagle putt to win.

GRACE KIM: I couldn't breathe, Tom. Yeah, I couldn't really see. I was like is it dead straight? Yeah. I'm hitting the putt. Glad it went in the hole.

Q. A roller coaster day. How do you keep your composure to be able to create those moments that I have that will go down in golf history?

GRACE KIM: Yeah, I guess I started the week saying worrying is just really doubting my preparation, my work, the work that my team put in.

So I really just tried to back myself all four rounds and obviously I've never -- I don't think I've shot as well as I have this week ever, so that mentality works. I'm going to keep going forward with that.
