Quick Quotes

Q. Cara, solid first two days here at Evian. Waking up this morning a little bit tricky, especially when it's so hot at night. Just sum up the first two days here.

CARA GAINER: Yeah, obviously happy to have made it through. Would've liked to have had a little better round today, but to be honest I didn't get much sleep last night and it was a real -- especially the front nine was a real struggle for me just to keep it in play and things.

So I'm proud. It was a bit of a fight and I managed to keep myself in there. Moving day again tomorrow.

Q. And on that grind and being able to fight back, obviously does having played this course so many times now help you when you get in those situations?

CARA GAINER: Yeah, exactly. I think I feel pretty confident now, especially around these greens. They are definitely playing softer as well, the greens. I feel if I miss a shot then I can get up and down. Got to say positive and confident round here otherwise it's going to get to you; bites you.
