## Maja Stark

### Quick Quotes

**Q. Maja, a round of level par today. Yesterday you spoke about obviously this course freaking you out, but you just going for it. How was it out there this morning?**

MAJA STARK: I had one screw up, but, I mean, wasn't too mad. I kind of expect it. Yeah, I'm going to pull the crap out of it because I'm scared, and that's exactly what happened. It went out of bounds.

Other than that, just feels like I'm a whole different player than I've been here the past years, so it feels way easier now than it used to.

**Q. Yeah. And obviously into the weekend here at Evian. How have you found the first two days regarding the greens? Talking with your caddie, it's really hot so they're trying the best they can.**

MAJA STARK: Yeah, obviously the greens are a little bit different. They got some new ones that hasn't really set in yet, and then you have the elevation which makes it difficult to get them consistent.

So, I don't know. Feels like we been here for so long that we kind of know which greens are firmer than others. Especially with the new ones you know they're going to be a little bit more bouncy.

Feel like it hasn't really -- we haven't been surprised a lot.

**Q. You spoke about your mindset a lot this year, obviously the change you've had. When you make a dropshot around here, which you expect to do because it's Evian, what is it like when you're bouncing back and obviously making birdies, made a few in a row like you did yesterday and today?**

MAJA STARK: It's so much easier than it used to be, because right now I'm just -- I don't have any expectations really. I kind of -- like yesterday I said to my caddie, 85 today? And he said, yeah, sure.

And so if I just keep expecting I'm going shoot 85 then everything is a positive, so yeah, it's just a much more

mature mindset, that I can't be perfect all the time.

**Q. Spoke yesterday about how you love coming back to Europe, enjoying the town. You got a lot of time now between now and tomorrow. What will you be doing?**

MAJA STARK: Me and my caddie have decided to go rent a little boat, those little boats or whatever, because they have a slide on the back, too. That just seems awesome.

And, yeah, so that's our plan. We just need to figure out where you can rent one.

**Q. Finally, what are you going to do in terms of tomorrow, your game plan? Continue with the same?**

MAJA STARK: It's just going to be the same. I think haven't really checked out the pin positions for tomorrow yet, but felt like they got harder today, so probably just keep on going with the same patience that I've had.
