Quick Quotes

Q. Here with Haeran after her second round here at the Amundi Evian Championship. Bit of an up and down round for you today, but still squarely in contention heading into the weekend. Take us through the round, what worked well, especially that eagle.

HAERAN RYU: On hole 15 I got eagle there so I hit driver little right side in the rough, but I -- it's not too much sticky rough so I just trying to (indiscernible) up there, but it's slightly short but pretty good shot there.

And then just front of the green I try to putts, but it's -- I thought it was so firm, I know, but was surprise going in the hole. So my caddie and I was so surprise up there.

So, yeah, it works and lucky go up there.

Q. Has the course played any different yesterday to today?

HAERAN RYU: I thought, yeah, was little different because it's a little bit more hot than yesterday, so that's why the green is little firm.

But speed is a little slower than yesterday, so that's why I missed a lot of chance.

But I hopefully tomorrow I make it a little bit more better than today.

Q. How free are you playing right now knowing you're a major champion now?

HAERAN RYU: Yeah, was so good, so good, because no pressure, no stressful, so that's why I play well on the first and second round.

Q. Seen a lot of up and down rounds from players the last two days. What's the key to maintaining consistency, especially as you contend at the top of the leaderboard?

HAERAN RYU: Yeah, this is a major, so that's why don't push hard to make some birdies. So just keep safe on

the green and just try to good easy par still good for the players.

So that's why I make some a lot of par today.
