HAERAN RYU: No, never know.

Q. You didn't know you were putting for 59?

HAERAN RYU: No. I never know because, I don't know here is par 71. That's why I just hit it -- I just -- I don't my score on the green today, so that's why I don't know on the hole 18.

But after the putt and I counted my score with my caddie, oh, my God, it's 11-under par today. It was so amazing. My caddie says, yep. Yeah, I'm so happy right now.

Q. Take us through the eagle putt you had today.

HAERAN RYU: I didn't putt.

Q. The hole-out, sorry, the eagle.

HAERAN RYU: That hole is little tricky to every players because little narrow and the green is little hilly, so that's why I just want to make par that hole.

But I hit hybrid on the tee shot and pretty good shot there, and then I think I used meters, so that second shot is 141 meters maybe. I hit 7-iron there and then it's pretty good shot there, so I just hit, okay, good shot. I just walking towards three meters and it's going in. So it was so happy and surprise there.

Q. Obviously great round overall. What were some of the highlights of the round?

HAERAN RYU: I think number five, eagle. I think first shot eagle for this year so that's why so happy.

Q. Did you ever dream of something like this happening? Did you ever think this would happen to you?

HAERAN RYU: I think my plan is so different winning the major because I really wants to get the major champion, but before get that one it was so stressful, and then I want to more frustrated and more keep push for me.

After got win and my patient is more down and then I can do more enjoy golf right now.
