TV Quick Quotes

Q. Here with the champion who's absolutely soaked in Evian and champagne. Haeran, the emotions today. What a rollercoaster. Can you describe the highs and lows of this final round?

HAERAN RYU: I think -- yeah, I know, I know. It was so tough today because my putt is always missed the cup, so I'm just making one birdie on the last hole. So, yeah, but thanks God because every putt I missed, but only last putt on the playoff I can made it. That's why I can tell for the thanks God.

Q. Talk me through the putt that you made for birdie on 18 in regulation, how important that was.

HAERAN RYU: Yeah, I know how important that putt so that's why I'm so nervous that putt. But I made it and then almost like a little bit celebrate. Yeah, so happy on last two birdies.

Q. And can you talk about how much this means to you being able to win back-to-back major championships and the golf you played in those two weeks?

HAERAN RYU: Yeah, this is just a dream right now because before the three weeks I don't have a major championship, but now two in a row. So I'm so happy and I'm -- I can't believe it right now.
