Q. In this moment the Cup stays in Europe. Can you describe the moment for me right now?

CARLOTA CIGANDA: I don't have many feelings right now. I'm so happy just to do this for Suzann and for Spain. I'm just so proud. I'm just so happy. Everyone here is a family. The Spanish crowd is just amazing.

Q. Where did you get the guts, the resilience, the determination to pull off a shot like that?

CARLOTA CIGANDA: When I saw Suzann on 16, I just saw her and she told me a couple of things and I was like, I'm just going to win this for her because I love her and she deserves it.

Q. To do it here in front of your home support with all your colleagues, all your teammates, Suzann the captain watching on, how does that feel?

CARLOTA CIGANDA: Amazing. I love my team. I love Europe. I love Spain. I love Solheim Cup. It's been a great week and I'm just so happy to be here right now.
