Q. Lexi, you're not even playing in this morning's session but you wanted to be out here. I saw you give a fist bump to every single player and caddie. What was your message to them this morning?

LEXI THOMPSON: Just go out there, kick some butt, believe in themselves.

I wouldn't miss this 1st tee for anything even if I'm not playing. I want to be here to support my teammates.

Q. Speaking of playing, are we going to see you out here a little later today?

LEXI THOMPSON: Possibly. We'll see.

Q. What's the plan now until you head out this afternoon?

LEXI THOMPSON: I'm going to watch a few holes, go and support my team. Just relax, maybe get a little workout in, and get my warmup.
