SUZANN PETERSEN: The girls were a little out of rhythm. Yesterday is history. We'll try for another good start today. We need it, and they know it. But this is electric. We're not even going to try and fight this off the first tee.

Q. (Indiscernible).

SUZANN PETERSEN: I mean, we're going to bring our best. We need our best. We need terrible and like I said, we've got to start with the first tee shot, second tee shot, and we'll start with the first match and take it from there. We can't get ahead of ourselves. We'll take it match by match and really give it our all.
