Quick Quotes

Q. Georgia Hall, 69 here today in round one. You got off to a solid start starting your day on the back with four birdies, but some struggles coming in. What changed at the turn?

GEORGIA HALL: Yeah, I think the front nine, so it was my back nine, I think it's playing a bit tougher actually, a bit longer with some tricky pins.

Yeah, I just got my two bogeys from two wedge shots, which was a little bit disappointing, and missing a seven foot on the last to go 3-under.

But I played really, really well. My long game was great. Probably one of the best it's been all year, so I look forward to tomorrow.

Q. You've had three Top 10s this season. What would be a satisfying close as we get into the final stretch of the year?

GEORGIA HALL: Obviously I'd love to win this event. I mean, it's a fantastic golf courses, one of the best we've played all year. I really look forward to playing it tomorrow.

But, yeah, I mean, I just have a really good week and play well.

Q. What will you work on now heading into round two?

GEORGIA HALL: I think a little bit of putting and then maybe a bit of chipping. Happy with my long game, so I think just focus my short game in a minute.
