Quick Quotes

Q. All right, here with Narin An after her first round at the Cognizant Founders Cup, just what was working so well for you today?

NARIN AN: I worried about my back because I got injury on Monday, like right doing warmup at the range. But it's like way better now, so I can hit few shots before today.

So I think, yeah, my shots was really good and putts was really good. Like was like, yeah.

Q. I asked you out there if you liked this course and you said yes. What do you like about this course?

NARIN AN: Yeah, I like the shape. Shape is really beautiful, especially like yesterday was really beautiful, the weather.

So, yeah.

Q. And last one: What will you take away from this round or what will you need to work on as you head into tomorrow?

NARIN AN: I think not many different as today. I mean, yeah, hit the fairway and hit the greens and putt. Yeah. So simple.

Q. It's that easy.

NARIN AN: Yeah, I know, but I'll try.
