## Minami Katsu

### Quick Quotes

**Q. All right, Minami Katsu here after her first round. Tell me about the day, bogey-free, and the good round.**

MINAMI KATSU: Thank you. I felt like I wasn't striking the ball really well but I was definitely putting well.

Obviously made four birdies, so really happy with the round.

**Q. Yeah. Anything you like about this course that you feel works well with your game?**

MINAMI KATSU: I missed the cut last year, so I was a bit worried about that. Kind of worked out this week, especially I feel like I was able to have a good preparation before the week.

So, yeah.

**Q. And then just last question: Anything you worked on in the offseason that you felt good about today that worked out?**

MINAMI KATSU: I've struggled with my putting last year, so I mainly worked on my putting game. Worked out this week.
