### Quick Quotes

**Q. Okay, here with Jin Hee Im after her second round. You went bogey-free today. How did you do that? Tell me about the day.**

JIN HEE IM: Today in the morning mostly green speed more faster than afternoon, but today we have the fog delay. That make similar to yesterday, so I just like playing yesterday. That's make the good score.

**Q. You also mentioned the wind died down a little bit today. How much did that help?**

JIN HEE IM: Yesterday maybe one and a half club to changing the wind.

**Q. Yeah.**

JIN HEE IM: But today maybe just half meter and then pretty good weather. Just hitting to the pin, it's good to the pin.

**Q. Yeah. I know you played really well at The ANNIKA last season, had a really good tournament there. How did what help you feel confident in your golf?**

JIN HEE IM: I mean, I want to just focusing my groove starting the season. A little nervous and so exciting to starting LPGA, so I just keep trying to playing my groove.

I can do that, that make good score and I have some confidence.

**Q. Did your good play yesterday, playing good yesterday, give you confidence going into today?**

JIN HEE IM: Yeah, because last year I missed cut in here. I make many plan to the practice round and that make good score that can (indiscernible) me.

**Q. What part of your game helped you make that good score today?**

JIN HEE IM: First important thing is I think the golf course management, and second thing is putt. I can read the grain well before than now, so that make more into the hole.

**Q. Who taught to you read -- you said the grain?**

JIN HEE IM: Yeah.

**Q. Who taught you to look at the grain and understand what the putt was doing, or read the grain?**

JIN HEE IM: I practice one month at the Florida. Maybe I think I need to practice that bermuda greens, so that one month make better.

My caddie good reader to the green. That really help to me.

**Q. You saw your name on top of the leaderboard. How did that make you feel when you saw that on 16?**

JIN HEE IM: Yeah, that's really great, but, I mean, it's just the second day at the morning, and weather is really good. Afternoon has so many good players, so just good, but it's not too happy now.

I have to keep trying.

**Q. Keep trying, keep focused.**

JIN HEE IM: Yeah.
