## Hannah Green

### Quick Quotes

**Q. Here now with Hannah Green after her third round to the Founders Cup presented by U.S. Virgin Islands. Just take us through the day today.**

HANNAH GREEN: Yeah, pretty similar to yesterday. Hit the ball pretty well. Hit a couple not-so-good shots but was able to recover.

But the putter was still hot, so it was nice to continue that momentum from yesterday and see them go in.

**Q. Would you say that's the strongest part of your game right now?**

HANNAH GREEN: Yeah, I'm not really hitting a lot of fairways, but when I do hit the fairway I'm able to hit it on the green which is nice.

But definitely the last two days has been the putter. It's nice to feel confident in the read. Couple putts today, yeah, was so focused on the read that I kind of forgot about the pace.

You know, it's hard to hold putts on these greens when it gets a little windy and getting a little bit firmer and also a bit crustier.

Just staying patient and hoping that the putts go in.

**Q. Started to see a lot more lower scores as the week goes on. What is it about this course that is so scorable?**

HANNAH GREEN: Yeah, certainly some tricky holes out here, but for the most of it I would say it's probably on the shorter side with the wind direction that we've had.

Maybe makes the tougher holes a little bit easier with the wind direction, so I think that's why we can be a little bit more aggressive.

There was a lot of front pins today so I felt like they were pretty gettable. Seeing some of the dots out there for tomorrow, looks like there will be some tricky pins, which is what you want for a Sunday championship.

**Q. What is it going to take to catch the two at the top right now?**

HANNAH GREEN: Yeah, they seem to be playing really well. I was just trying to make as many birdies as possible to catch them, but I think I'm going to need a lot lower than what I have shot the last two days to compete with the two at the top.

Hopefully I just, yeah, continue to give myself opportunities, play as boring as possible, hit a lot of fairways, greens, and hopefully some one-putts.
