Quick Quotes

Q. Okay, here with Jin Hee Im after her third round. Jin Hee, shot a 68 today. Just tell me a little about the round.

JIN HEE IM: Today I don't have clean thinking at the front. It's make little nervous to my mind.

But I just keep trying to calm down, and then come back to four birdie. I'm really say good job to me.

Q. Yeah.

JIN HEE IM: Yeah, I really happy to this round.

Q. Yeah. You said it's a little harder out here today, this afternoon, than it has been previously. What was a little hard about today?

JIN HEE IM: Well, last night I check the pins, but the plan is I need some many birdie chance hole in my think, but come to today, oh, it's not true. That front pin, left corner pin is really hard pin direct so, I just say -- I trying hard to make birdie, and not bad. I just good job again.

Q. Yeah. I got that. Yeah. Understood. Last question: You're in third right now. How does that make you feel to be near the top of the leaderboard heading into Sunday? You're in contention. How do you feel about that?

JIN HEE IM: Yeah, it's really good position to get close to win, but it's little gap to the leader. Maybe tomorrow plan is more aggressive. I try. Really exciting tomorrow.
