Q. Here with Jin Young Ko who is going to be chasing. Very close going into tomorrow. Karen was just talking with Yealimi about the slow start that you both had. Then things turned around. What turned it around for you?

JIN YOUNG KO: I don't know. She made a lot of birdies today. After her made birdie it was like good motivate to me I think. Yeah, we had so much fun today. Looking forward tomorrow.

Q. Doesn't matter whether we're in the Northeast or down here in Florida, you seem look you play really at this golf tournament. What brings out the best of you playing in this event that has so much connection to the history of the LPGA?

JIN YOUNG KO: Well, it's honor to saying like three times winner at Founders Cup. I mean, I have good chance for tomorrow, but I don't want to think about anything. Just I want to think about myself and I just trying to do my best.

Yeah, so many good players behind us so we have to make good birdies and good birdie opportunities and see what happens.
