## Atthaya Thitikul

### Quick Quotes

**Q. Here with Atthaya Thitikul after her final round at the Chevron Championship. One of your best performances in a major, I think. Can you take us through what you're so happy about with your round today and overall?**

ATTHAYA THITIKUL: Yeah, I do. I think I did pretty well today, except just the last hole that I missed. I think overall, it's good. It's just golf, and I accept what I have made the decision with and just hit up, and it's a lot more for you guys.

**Q. Coming down the stretch really good, how much confidence do you have coming into this last hole, and take us through the thought process on the last hole.**

ATTHAYA THITIKUL: Pretty special thought on the last hole. I know I have a chance to make a birdie, and then I trying to make it happen. But just maybe some misunderstanding with the wind, the number that I played, and that's it. I think I hit it pretty good, like not behind the ball or -- I hit it pretty solid, but it just went like that because maybe misunderstanding with the wind.

But overall, it's nice for today, yeah.

**Q. How much do you look at the leaderboard while you're out there?**

ATTHAYA THITIKUL: Not at all.

**Q. So you didn't know that you were just --**

ATTHAYA THITIKUL: I just know on 16, I guess, my caddie just told me.

**Q. So you knew coming down the stretch that you had a shot. How much pressure does that add, if anything, or is that something you think about when you're taking your final shots?**

ATTHAYA THITIKUL: Not really. I think I do it better than before, than when I get my first win or whatever. But I

think I have been doing well with the pressure more and more.

I think it's a good thing for me. It's nice to be under pressure. Everyone has to go through this when you're going to go for the win or for the trophy.
