THE MODERATOR: I'm here with Hae Ran after the third round of the Chevron Championship. Posted another bogey-free round for the second day in a row. How did your golf game feel out there?

HAE RAN RYU: So exciting because today in the morning I play -- yesterday I not finish the third round, and then today in the morning I start again this third round and then Sunday. I think it's so cold and windy. It's so tough for me. Every player it's tough in the morning, but always mindset just to keep think about my swing and always focus for easier second round, and can make a lot of birdies in the morning.

**Q. How do you stay focused when there's a rain delay like this?**

HAE RAN RYU: Just to think about it calm because always I want to go finish earlier, but yesterday I think we cannot finish on the day, and I just think about, okay, it's more calm and more take your time, and that is good for me, I think.

**Q. Were you aware of where you were on the leaderboard yesterday or maybe this morning?**

HAE RAN RYU: No.

**Q. You didn't pay attention at all?**

HAE RAN RYU: Yeah, because always I want to looking for the leaderboard, but I don't always saw the leaderboard, but always go to another page and then 20 or so and I can saw my rank on the leaderboard, and I don't know that.

**Q. You had a really great rookie year last year, winning Rookie of the Year. What would it mean for you to add a major championship to your resume?**

HAE RAN RYU: I think just exciting. I'm so proud of myself, I think.
