Quick Quotes

Q. Starting the round yesterday, finishing it today, how did you stay mentally in the game?

ATTHAYA THITIKUL: I mean, it's the same like yesterday, but just playing different because the wind, the weather. It's quite colder than yesterday, so it's been quite tougher than yesterday.

The mentality today is just be patient.

Q. You've got a little bit to chase in a bit trickier conditions. What's the game plan?

ATTHAYA THITIKUL: Like I said, I don't think it's going to be easy today to make a lot of birdies, but if you be patient out there on the course, whoever is patient the most got it today, I guess, because if you see the weather, it's so cold. Freezing.

Q. Do you see lots of birdies out there, or what's the course looking like difficulty-wise?

ATTHAYA THITIKUL: I think it's more difficult. I think a lot more difficult than the past three days. A chance to get a birdie, maybe you hit it so close or make a putt really far away from the hole, I guess.
