### Quick Quotes

**Q. A little luck goes a long way. Jasmine finishing in style with a 71. A little bit of drama there at the last. Take us through what happened on 18 with your shot.**

JASMINE KOO: So I was super in between clubs, so I decided to go with a 5-wood, and I chunked it because the ball was above my feet, and I can show you guys, that's the mark it made from hitting the logo that was in the middle of the water and then it bounced on to the fringe, and I made an up-and-down for birdie.

Yeah, that was really exciting.

**Q. A nice little memento you can hang onto to remember this moment, your first ever LPGA Tour event, your first ever major championship. How would you describe the experience competing here this week?**

JASMINE KOO: Well, in the beginning I was kind of like, oh, my God, there's Charley Hull, oh, my God, there's Jennifer Kupcho. But now I'm kind of like oh, my God, I actually competed against all of them. I think I'm like 17th right now or something. So it's kind of cool just to see, oh, my God, I actually played amongst them.

**Q. What will you take away from this experience?**

JASMINE KOO: I don't know. Just that I'm good enough. I played with Linn Grant today, and she was like, I don't think you should rush into your LPGA career, and I think -- I'm going to college this fall, so I'm just going to take it step by step and kind of just know, yeah, I think I'm good enough to get here one day.
