Quick Quotes

Q. Five wins in five starts; how were you able to do it this week?

NELLY KORDA: I don't know, but I can finally breathe now. That back nine felt like the longest back nine of my entire life. It was a little bit of a grind on the back nine, but happy to get the win.

Q. Sort of changed there at the 11th tee; it seemed like you were starting to feel it a little bit?

NELLY KORDA: I was definitely starting to feel it on the back nine, just the nerves setting in. It's a major. It's everything that I've always wanted as a little girl, to lift that major trophy.

As I said, I can finally breathe now and just enjoy the moment because I was definitely really nervous. I feel sick to my stomach.

Q. What is it about you and the way you play the game and you go about your business that has made you able to do this?

NELLY KORDA: I think there's a key in the simplicity that I have when I play. I honestly just take it a shot at a time, and we pick a game plan when we get to the golf course and we work and we stay in our own little bubble. It's been working so far.

I feel like maybe sometimes golf can get overcomplicated, and it's just -- there's a key to the simplicity of it.
