Quick Quotes

Q. Talk about your round today. Tough finish but solid round.

ALBANE VALENZUELA: Yeah, it was pretty solid. Under par at a major is always good. I felt I hit some really good shots. A few misses here and there, but overall pretty happy with my day one.

Q. Highlights of the day?

ALBANE VALENZUELA: Some highlights, I hit a great shot on 15 and on 5. Those were two really solid iron shots after a little bit of a slump before.

So just real happy with both of them.

Q. What do you think of the golf course?

ALBANE VALENZUELA: It's a major. It's going to test every part of your game.
