**Q. Two friends, tied for second right now. Looked like the energy out there was really good between you guys. Kind of feel like you guys were feeding off each other. Was it like that out there?**

LINDY DUNCAN: I think so. I was trying to follow in Sarah's footsteps. She was hitting a lot of fairways and greens and rolling it really well.

**Q. And Sarah, you've had such a great consistent year out here. (Indiscernible.)**

SARAH SCHMELZEL: Yeah, it was good. It was nice to be a little easier of a round today with more fairways and greens. I struggled a little bit with that yesterday so it was nice to have a bit more of a boring round.

**Q. One more thing: Both of you guys had belly rubs and then both of you guys had birdies. Do I need to come out again tomorrow?**

LINDY DUNCAN: Definitely.

SARAH SCHMELZEL: 1000%.
