## Ruoning Yin

### Quick Quotes

**Q. Solid way to start your week here. Back in LA, which is where you won just a couple weeks ago. How good does it feel to be back in this area playing this style of golf again?**

RUONING YIN: It always feels great to be back in LA and play the course here. Such a historic course, and yeah, I love this course a lot.

**Q. It's pretty quirky out there and obviously played pretty solid. What did you see out there today that worked so well?**

RUONING YIN: I think my long game is pretty good, in a solid spot right now. I think I hit all the fairways and only missed two greens. The only two I missed it was on the fringe. I think my long game is pretty good right now.

**Q. You got that win a few weeks ago. Have you kind of settled now -- I know it does feel real at that point, but have you settled a little bit? Do you feel calmer when you're out here now?**

RUONING YIN: Yes, a lot. I know I belong here. Just keep playing good.
