TV Quick Quotes

Q. I see those emotions coming from you. Where does this come from?

HANNAH GREEN: It's been a long few years, and I played really well last year, but getting across the line has been really difficult. I'm really proud of myself for hanging in there because I really didn't think that I'd be in it with how I was playing and making so many putts. Yeah, I'm really happy, but the emotions are coming out.

Q. At what point today did you really start to believe you had this chance?

HANNAH GREEN: I knew you didn't need a low score today to win. I feel like this weekend played a lot different to the first couple days, so my caddie just said, stay patient. You always try and do that, but it's harder said than done. I'm just really proud for holing that putt in regulation on 18 and obviously the putt the last couple holes.

Q. I heard everybody around you calling for a shoey. Will you be doing a shoey?

HANNAH GREEN: I mean, I guess I have to give the fans what they want, right? But I wish I had new shoes.
