Quick Quotes

Q. Joining me after the first round of the JM Eagle LA Championship is Yu Liu. Yu, you had an ace today. Can you talk about that experience?

YU LIU: Oh, it was my first ever ace in a tournament; my second ever ace like all-time, so I was very calm to be honest.

Q. Okay.

YU LIU: I don't think I reacted very hyperly. It was just -- but I saw it went in. Like I even saw how it broke, so it was pretty cool.

Q. Now that you that you're off the course are you feeling that excitement?

YU LIU: Yeah. Because I kind of messed up. Like it was very chaotic towards the end. The hole before I missed two and a half feet for birdie and I was like, wow, I'm glad it went -- I kept the momentum going instead of went the other way.

Q. Yeah. It's on camera so you'll get to watch it.

YU LIU: Okay. And then next hole I hit it in the water, but it's all good. I had a hole-in-one. I'm happy about it.

Q. For every hole-in-one on Tour CME donates \$20,000 St. Jude's Children's Hospital. How does it feel to contribute to that cause?

YU LIU: Definitely very appreciative of CME for like constant support, and, yeah, I feel like I've done something really special and just added another tier to something that I'm already very excited about.
