Quick Quotes

Q. Mao, yesterday morning you weren't in the field and now you're at the top of the leaderboard today. How are you feeling about that?

MAO SAIGO: First of all, I'm so happy to be in this field and playing in this position.

Q. You got in yesterday you told me at 6:00 a.m. and today you also had a really early start. How are you feeling and how are you playing golf so well when you're so tired?

MAO SAIGO: I really wanted to get into this event, so I think just really excited to play in this tournament and just trying to be positive.

There is I don't feel like any tiredness at all.

Q. This is your rookie year on this tour. Have you played better than you expected?

MAO SAIGO: Well, I just wanted to play really well this year, so I just want to look up more. Right now I'm just happy to be in position but I wanted to get better and of course I want to win the tournament, too.

Q. That was the next question. What do you have to do to win? Just continue playing the same way?

MAO SAIGO: Well, I think to win, four days have to be really good golf. I think where to hit and where to be aggressive, where to be conservative, you have to be good manage. So I will try my best.
