## Stephanie Kyriacou

### Quick Quotes

**Q. Just tell me about the round today. How hard it was out there?**

STEPHANIE KYRIACOU: It was actually -- you know what, it was a little bit easier than I thought but not easy. So that's just -- I thought we were going to (indiscernible) rain all day. I mean, I only had it for probably half the round in total, so wasn't as bad, but, yeah, it's not ideal.

**Q. You told me last week Aussies are all-rounders and you're proving that this week. A lot of ya'll at the top of the leaderboard. Where have you learned to play and have success in wet conditions?**

STEPHANIE KYRIACOU: I mean, I don't know. I guess back at home. Like our winters aren't that nice, so where I play as well is right on the coast so definitely rainy and windy. I think that's also why I like playing in Europe, Scotland and stuff, because it kind of reminds me of home.

Yeah, I would say that's pretty much it.

**Q. Good position heading into the weekend. How do you continue to build?**

STEPHANIE KYRIACOU: I think I'm just going to keep doing what I'm doing. I started doing a couple new things, like playing different games within my round, so I'm going to kind of stick to that and whatever happens, happens.
