Q. Aphrodite, we're really giving you the full LPGA experience here. Interview on the tee and you're playing with the world No. 1, Nelly Korda. What's that experience been like for you?

APHRODITE DENG: Yeah, it's been really cool and really special being able to play with her.

Q. What's your experience like being in this tournament in general?

APHRODITE DENG: It's really good and I really like this tournament.

Q. Quite the accomplished golfer. Where do you see yourself in a few years' time?

APHRODITE DENG: Thank you. Probably like playing in college. Yeah.

Q. And I know you must have a lot fans and family watching because this is pretty close to your home. Anybody special you want to say hi to whilst you're on the TV?

APHRODITE DENG: Hi to my brother, yeah.
