**Q. Carlota, top-5 finish, really good final round to end it. Talk about the day and this week.**

CARLOTA CIGANDA: Yeah, to be honest, really happy to have four rounds under par. I was playing good, but I don't think I could get those four rounds under par going.

On a course like this, it's pretty tough out here, especially the second and the third day, to have four days under par, I think it's pretty good, and really pleased with the week.

**Q. Talk about the mental state. All week it seems like we felt with four seasons in one week and just grinding through all those challenges.**

CARLOTA CIGANDA: Yeah, to be honest, I like tough conditions. I like when it's playing hard, and I knew it was going to be one of those where I have to be very patient out here. The weather can be tough. It can be sunny, can be windy. We had a little bit of everything. But I think I stayed patient. I had a great plan out there with my caddie, and we had a very nice week.

**Q. What would you say the highlights of your game were this week?**

CARLOTA CIGANDA: Yeah, I think having my coach here really helped. Hitting balls with him pretty much every day and just little details practicing with him. But my ball-striking was really good and also my putting. I made some really good saves, and I think overall everything, but the putting was good.

**Q. How are you going to spend the off week as you prepare? I know you're playing Mexico, then the U.S. Open.**

CARLOTA CIGANDA: Yeah, so flying to Phoenix. I'll be in Scottsdale for a week and then will go to Mexico, and my parents are coming for the next two weeks. It will be very nice to have them in Mexico and the U.S. Open. But yeah, just rest for a few days and then get ready for Mexico and U.S. Open.
