Q. Yeah, you played with Gaby and Melanie today and they were both talking about how well you did and how impressed they were by you. What is the experience playing alongside the pros and the level of comfortability of testing your game against theirs? What are you taking away from this week?

CELINA YEO: I feel like they're very confident. We're kind of nervous. There's more crowds than we're used to, but they play it really well. I was definitely nervous as well. Gaby was doing really, really well today, so lots of crowds and yesterday as well.

So I think, yeah.

CELINA YEO: I played a practice round with Ina Yoon who is my favorite player. She told me to go out there and have fun and enjoy the experience on I think that's the most important no matter what the performance was. I just really had so much fun this week.
