Q. What a dramatic end to this amazing Buick LPGA Shanghai. Let's get straight to you Jeeno. How amazing was that. Have you ever been involved in such a dramatic finish?

JEENO THITIKUL: I mean, I had so many drama in my golf career for sure. I mean, like to be honest, I play against Minami and she play really great job out there. She crush it out there Tuesday until Sunday.

But I don't know what's happening on me. I mean, like I trying to make the best I can, trying to catch her. Yeah, that's what it is now.

Q. How does it feel after what happened a few weeks ago to come here and get the job done in such amazing fashion as well?

JEENO THITIKUL: Yeah, I just going to say thanks God. That make me working hard to even like, you know, come to here. What happens on the last event definitely still in my mind, but like to be able to prove myself again this tournament, which is just such like a dream come true. Like I said, I'm not carry thing on my shoulder though.

Q. 5-under through four holes to get in the playoff. You must be amazed with your fightback there.

JEENO THITIKUL: Yeah, definitely. I mean, like seeing her chipping in on 17 just give me some, wow, I mean, I trying to make the putts, but definitely I'm not going to predict how it will end the hole. It was in the hole and it was like wow, let's go.
