#### **Q. Is it comfortable round for you?**

Yes, indeed. It has been a while since I had a comfortable round last time. Actually my shots are not consistent today but try not to think negatively. It works today.

#### **Q. Have you ever played with Nasa before?**

No, it is my first time to play with her. I enjoyed it very much. Playing with Nasa and In Gee makes me feel like playing in the US today. I wish I could talk with foreign players fruitfully.

#### **Q. Do you want to play in LPGA in the future?**

Yes, it is my goal but not now. I just feel like it is too early for me to play in LPGA. But I want to be a player on the LPGA tour in near future.

#### **Q. Do you like this type of golf course?>**

Yes. Not only the fairways and greens but also the rough are very beautiful this week.. I like it very much and it makes me feel like I could play well this week. It is going to be a very tough birdie chasing game this week, but I want to build a new record.
