Q. All right, Nasa, take me through your round today. What did you do really good?

NASA HATAOKA: My hitting not good, but I made so many putts so my putting was really good today.

Q. Tell me about that last putt there on 18. What were you reading?

NASA HATAOKA: I was trying to for two putt, save par, but was good line and just get in.

Q. Yeah. You had three birdies in a row, right? How does it feel to end your round that way?

NASA HATAOKA: 17th hole was short par-5 so that hole I really want to birdie, but on 16, par-3, it was good 6-iron tee shot and I hit it good.

NASA HATAOKA: Was like 20 feet.

Q. So another good putt?

NASA HATAOKA: Yeah.

Q. So how is it playing in Japan in front of all the crowds today?

NASA HATAOKA: Yeah, specially my hometown, so I was really excited and everybody cheering for me, so I was really happy.

Q. What are you looking forward to the next couple days?

NASA HATAOKA: I have three more days so just keep doing that.
