Q. Nasa, congratulations on a beautiful round of golf today. It's been a little bit of time since you last won. Really exciting for you to be in the lead right now. How great does it feel to be leading in your home country?

NASA HATAOKA: Yeah, I had a great round today, very solid. And yeah, I'm very glad to play golf in my home country and in front of so many Japanese fans.

Yeah, I had a great round today.

Q. Do you feel like you've done anything extra good this week in your game that's started to help you play -- 7-under is a beautiful round of golf.

NASA HATAOKA: Yeah, my hitting, it's been really, really good. So my key point is putting, so I'm trying to hit acceleration on the putting green.

Q. I hope that you continue playing great. I know you're a lot of inspiration for many people, especially people watching on TV. Congratulations and good luck for the rest of the week?

NASA HATAOKA: Thank you.
