Quick Quotes

Q. All right, here with Jiyai after the second round at the TOTO Japan Classic. Take us through the round today. Worked well for you?

JIYAI SHIN: Well, yeah, I'm pretty solid whole day. And then I think I had a good focus on the golf course because the wind blowing hard and then they change every time, so hard to read the wind directions, but, you know, today I playing with Miyu Yamashita and Nasa Hataoka and they both playing pretty well on the LPGA, so before when I starting, I really excited to play with them.

And then, yeah, definitely they showing how they're strong. So that's why I try to catch up and I finished good position as well.

Q. Only two bogeys through 36 holes for you.

JIYAI SHIN: Oh.

Q. Anything you're doing to keep yourself out of those bogey chances?

JIYAI SHIN: Two bogeys? Oh, wow. Okay. I hit it pretty solid with my swing, my driver and my irons, so that's why I didn't much miss the green. That's why with to make the more chance and then less make bogeys.

But, well, I didn't know I make the two bogeys this two days because I'm focusing make the birdies. So I think golf never know, so if I make the bogey doesn't matter. I think how much I make the birdies, they're more important.

So next two days I try to get more birdies.

JIYAI SHIN: Well, actually I like the tight race because, you know, even we can have to breathing control as well. So I really like it because I love playing with the pressure.

And then, yeah, I think this golf course very, like take a good are you familiar, don't know how many birdies come up.

So I don't know suddenly who come up or how they're going, but, well, now I'm at the top, so I try to -- I just keep focusing myself and my golf and just the results just following I think.

So, well, yesterday and today really enjoyed with this weather and this great golf course conditions, so, yeah, I just try keep going like people know who I am so I want to showing more, yes, I am here. Yes, just do my best.
