**Q. Just take us through the round today, especially the five birdies in a row on the front nine.**

YUNA ARIKA: (Through translation.) Overall I had a good round, but especially from second hole I had a good shot and it was kind of began a good flow.

So overall I had a lucky birdie on 16 as well, but, yeah, I'm happy with today's round.

**Q. Just being in your rookie season on the JLPGA, how much of an honor would it be to win this tournament?**

YUNA ARIKA: (Through translation.) I can't imagine that I'm winning this tournament at the moment. This is U.S. tour which kind of I have been dreaming of, so it's going to be undescrivable.

**Q. You're going to have some weather tomorrow, rain. Is there a different game plan you have for this course knowing we are going to have rain?**

YUNA ARIKA: (Through translation.) I think I'm going to stick to the same game plan like the past three days, and I have to be aggressive to get low score so I think I will be keeping aggressive and then shoot a low score tomorrow even in the rain.
