CHAMPIONSHIP

Q. All right, joined by KK park after the thirds round of the FM Championship. KK, you had a great round today. A lot of birdies, an eagle. Talk us through your round.

KUMKANG PARK: I had a lot of good chances especially with the shots, and I think that gave me a lot of opportunities to make birdies.

The eagle was probably I think my first one while playing on the Tour, and overall it was a great round.

Q. Heading into the final round tomorrow, how are you going to try to keep this momentum going forward?

KUMKANG PARK: Tomorrow will be a different day so I just want to focus on playing the tournament tomorrow.

Q. We noticed that you have a Disney sponsorship. You have the characters on your pockets. Can you talk about how that came around?

KUMKANG PARK: I believe the Disney I'm wearing is the one licensed in Korea, not in America. So that's what I'm wearing.
