Quick Quotes

Q. Okay, here with Brianna Do, clubhouse leader now heading into the third round. Made a cut on Tour. I know it's your first start of the year. How are you feeling after two rounds here in Mexico?

BRIANNA DO: I'm feeling good. I didn't have the best finish today so it's a little sour in my mouth right now. I played solid for most of the 36 holes, so feeling good.

Q. What have you learned about this course over the past two days? What suits you maybe about this course that you have been enjoying?

BRIANNA DO: I'm not sure actually. I don't -- I think I have a different mindset going into this week, just kind of changing my perspective a little bit. I've been working pretty hard playing on the Epson Tour.

Had a few tough weeks coming in, and kind of just learning from that and changing my mindset a little bit and my perspective and I think it's gonna long way with playing well for 36 holes out here.

Q. How good is that experience on the Epson Tour? What does it mean to you to be able to get that experience out here?

BRIANNA DO: So I actually -- this is my I think 11th or 12th season on Tour, whether it was the Epson or LPGA. So I was out on the Epson right after graduation in 2012, so I've seen that tour grow a lot.

The competition is getting better. Courses are getting better. Purses are getting better. So Jody Brothers on the Epson Tour is doing a great job of growing that tour.

It's just getting you much more ready for the LPGA Tour when you graduate from the Epson.

Q. Back to the round today, what were some of the highlights today? Any key moments stick out for you?

BRIANNA DO: I just kind of kept the ball ahead of me. Didn't get myself into too much trouble. When I was a little bit out of position I just kind of thought my way around it, got myself back into position.

So I didn't do anything super well but I didn't do anything that poorly out there, so, yeah.

Q. As I mentioned in the beginning, you're leading. Not only did you make the cut, you're leading right now. Did you expect that was a position you would be in, and how does it feel to go in to moving day in that position?

BRIANNA DO: I mean, obviously it's exciting. I had expectations, but at the same time not really coming into this week. I know I had been playing pretty well. It's just like a few holes here and there that kind of threw me off course a little bit.

So I was just trying to do my best, and my best right now is at the top of the leaderboard. So that's pretty exciting.
