Quick Quotes

Q. Here with Lindy after her third round. Lindy, really doo round today; 3-under today; lots of birdies on the card. What were some of the key moments or key shots today for you?

LINDY DUNCAN: I think I played the par-5s well today, and hit the ball pretty much in play. Hit a lot of greens so I gave myself some chances.

Q. What have been the keys to this course over the past couple days that helped you with your round today?

LINDY DUNCAN: Yeah, most of the holes there is kind of a trouble side, so if you can go to the opposite side of the trouble, even if you're in the rough, you still have a shot into the green.

So I've been trying to do that. I hit a couple loose shots so far through three rounds, and I think I that's to be expected out here. It's pretty narrow. Yeah, I the course is playing tough.

Q. How do you make the most out of (Wind interference.)

LINDY DUNCAN: I think the putting is really key. I made a couple nice putts for par. On 12 I hit it a little bit left. Had to pitch out, hit a pitching wedge on the green, and made an eight-footer for par, and that kept my momentum going because I could feel the heat and everything was becoming -- just feeling a little tired at that moment. That really helped me stay in it.

I think I birdied the next hole and made a good par save on 14.

Q. 3-under moved you a lot up the leaderboard today. Does that speak to maybe how difficult this course is?

LINDY DUNCAN: Yeah, I think so. I mean, there are some gettable holes that are on the shorter side, but you really got hit the ball straight here and the greens are kind of tough to read. Rough is tricky around the greens. There is kind of a lot going on.

Q. One more day of play tomorrow. What sort of round do you think you might have to shoot to hold the trophy at the end of the day?

LINDY DUNCAN: Probably a little bit better than today would be my guess, and I think I have it in me, so we'll see.
