Quick Quotes

Q. Here with Haeji Kang after her third round here at the Mayakoba. Figure finish for you there. Just talk me through the last two holes.

HAEJI KANG: So last two holes I made a birdie an 17, I didn't really go for the green but I just had a safer just layup.

And then hit a closer wedge shot into the green and then made a putt. On the last hole I chipped it in to finish with an eagle, which was very exciting. I had an eagle finish on first day, so it's my second eagle of the week.

Q. Nice. Did you chip in on the first day, too?

HAEJI KANG: No, I putted in, yeah.

Q. And 3-under round today overall, right?

HAEJI KANG: Uh-huh.

Q. 3-under round moves you quite a ways up the leaderboard. Is this course super difficult out here? Tell me how the course has been place this week.

HAEJI KANG: It's definitely been windy because it's right by the water. There are many holes that you have to hit a good tee shot and then it'll give a good chance to hit it close, because it's not that long of a course.

So here and there you have a good opportunity, and of course par-5s are reachable so you'll get a good chance getting eagle or birdie.

Q. What were the key parts of your game today that led to the good round? Putting? Approach?

HAEJI KANG: I think overall it was putting.

Q. Yeah.

HAEJI KANG: Yeah, I made some good putts so I think that really affected the score.

Q. Yeah. What is the key to putting out here?

HAEJI KANG: To be honest, the greens are little slow,

so you got to definitely know the speed to be able to be aggressive.

So, yeah.

Q. Looking to tomorrow, just a few shots back of the leader, what sort of round it going to take tomorrow to maybe end with a win out here?

HAEJI KANG: I think definitely the weather. Like you have to drink. You have to stay hydrated to not lose the focus. I think I've done it really nicely the last three days. So I think I'm going to keep doing that and continue what I'm doing.
